#### Four innovations made to Group Personal Accident

### 1. No age limit

As the working population is expected to remain in the workforce longer than before, removing the age limit enables you to fulfil your duty of care obligations towards your employees.

2. Removal of other general exclusions to three only Even with all the right precautions you cannot predict or sometimes prevent accidents. The very wide protection offered by reducing six exclusions to three gives you and your employee greater assurance.

**3. Higher sum assured** A wider coverage and benefit limit increase in the accident compensation scale table and burns & fractures protection.

**4. Additional benefits** A total of 25 additional benefits reflecting today's fastpaced society that we live in, addressing your needs as best as we can.
