Important Notes:

Please refer to the Country List tab to determine if CoR is Group 1 or Group 2 rates

The premiums above can be offered in USD, GBP or EUR. The rate remains the same as does the benefit limit option

The currency must be the same as the Medical policy

The payment frequency option must match the medical policy

These are the discounted Annual premiums, if quoting quarterly the premium is +5% / Semi-annual +3%

These rates are Net of any local taxes that may be applicable
